

Main project data **DSP II – 38** implemented from **Democracy Plus**

Name of the Project:	“Become Part of the Solution – For Better Municipal Public Services“
Implemented by: Partners if any:	Democracy Plus (D+)
DSP Intervention Areas:	1.1 Increased civic activity in influencing the priorities, planning and decision making of local and central government; 1.2 Increased civic activity in monitoring with the aim of requesting accountability for the shortcomings identified at the local and central government;
Project Objective:	The project aims to keep citizens informed about the engagement of their Mayor and respective Municipal Assemblies in the fulfillment of electoral commitments - by strengthening their role in seeking good governance and their influence on policy making.
Project Results:	1. Improve the transparency and accountability of local governments towards citizens 2. Inform citizens on the engagement of the Mayor in the fulfillment of electoral commitments 3. Promote decision-making through citizen input 4. Increase civic activism by increasing the number of reports from citizens on the ndreqe.com/popravi.org platform and increasing the number of municipalities' rapid reactions to the reports on the platform.
Main Activities:	1. Monitoring the six electoral pledges 2. Publish monitoring reports 3. Publication of Policy Analysis 4. Design and publish infographics with information on monitoring electoral commitments 5. Train municipal officials to operate the public service platform 6. Regular meetings on a two-month basis with municipal officials 7. Develop a promotional video for the ndreqe.com platform 8. Promotion of the platform on social networks 9. Promotion of the platform in traditional forms 10. Designing and publishing infographics on the progress of reporting and adjustments
