

FREQUENTLY ASKED QUESTIONS

1. Is it necessary to find organizations partner for project implementation?

Eligible organizations can collaborate with a number of institutions, including non-governmental organizations (NGO) but there is no obligation of applying in partnership with another organization.

2. Should the legal statute of NGO be sent in English or there is no concern to submit in Albanian version?

The legal status of NGO should be presented as it is in original. Hence, there is no need to be translated if it is not in English. Application form and the letter signed by highest authority must be in English language.

3. In the Guidelines it is stated that the organizations should respect word limits, but there is no word limit defined. Can you please define the word limits of this Call for Proposal?

In the application there is no word limit by letters. Word limit as used in guidelines is referring to respecting the questions stated in application form, in order not to give much more information that it is required.

4. Regarding the letter that the application package should include. We are not sure what this letter should include?

The project application must be accompanied by a letter signed by the highest authority of the recipient organization certifying the will to respond on behalf- which expresses conformity with the project.

5. Regarding the submission of application. Is it electronically or also hard-copy?

The application should be sent in electronic form only.

6. Can the application be submitted in Albanian language or it needs to be in English for consideration?

The application should be submitted in English language only.
