Project objective Promotion of the Law on Protection of Whistleblowers in Kosovo among private sector companies

Targeted beneficiaries Potential whistleblowers and current ones; Private sector / businesses; Public officials and public institutions; Journalists and media; Citizens

Main activities
Research on the readiness of private sector to implement Law no. 06/L-085 on Protection of Whistleblowers;
Draft and share the guideline for whistle-blowers in private sector;
Organize informative discussions with private businesses in 7 municipalities;
Organize FOL Hapur events with American Chamber of Commerce and Kosovo Chamber of Commerce;
Produce 2 video-animations to inform private sector employees about whistleblowing;
Organize one-day table top exercise with 10 scenarios;
Designing and distribute the scenarios handout;
Mark the International Whistleblower day;
Organize street action focusing on the importance of seeing signaling as an efficient and effective tool in fighting corruption and misusses in private and public sphere.

Project results
1. Over 200 people benefit from FOL Open debates organized in the 7 targeted municipalities about whistleblowers and whistleblowers’ rights;
2. Development of the Guidelines for Whistleblowers that will serve as a guide for potential citizens and workers in private companies and distribute around 200 copies to project beneficiaries;
3. Around 50 businesses will benefit from the public discussions in cooperation with Kosovo Chamber of Commerce and American Chamber of Commerce on how to implement the law;
4. Around 30 businesses will appoint a responsible person (whistleblower officer) within their companies;
5. More than 30,000 viewers will be reached through social media promotion and TV debate promoting the Law on Protection of whistleblowers;
6. Good signaling practices in Kosovo and the Law on the Protection of Whistleblowers can be discussed at the regional level through the Conference on the International Whistleblower Protection Day.
