Summary of the intervention	The general goal of the project is to promote humanitarian work, individuals, organizations, during the COVID 19 pandemic, then informing and educating citizens about their rights and obligations during the situation caused by COVID 19, as well as raising citizens' awareness of the importance of government measures to combat COVID 19. The project "Heroes in the Age of the Corona virus" means the realization of 3 (three) TV shows with two guests in the studio (plus the host of the show). The show is an hour long. It will be broadcast every other Friday on the channels of the TV network consisting of TV Herc in Strpce, TV Mir in Leposavica, TV Puls in Silovo, as well as on the social channels of the Media Center. The shows will present representatives of organizations, institutions and individuals who have given and are giving their contribution to the fight against COVID 19.
