Total budget of the grant (EUR):	333,382.8 EUR
Budget supported from EJA Kosovo program (EUR):	114,900.0 EUR
Target groups:	Women
Geographical scope:	Kosovo
Summary of the grant:	The proposal has been prepared to assist the applicant develop and consolidate its capacities and infrastructure, while at the same time expanding its support base and constituency engagement. To this end, the support received by EJA will be primarily oriented towards consolidating the first programmatic pillar of the organization which is to: “Co-build the feminist movement by challenging the patriarchal mentality in society through art and culture”, but will also contribute to improving its overall governance and management and will most certainly also positively impact other projects/programs of the organization. The Overall Goal of the requested support is to build and expand the feminist movement in Kosovo, with Art Polis emerging leadership in engaging young women.
